

EAT AND THINK 2WIN

ENERGY SUPPORT*

- **Energy Support*** is a delicious energy drink mix to support endurance and cognitive function.*
- **Energy Support*** is a great tasting combination of fresh fruits and vegetables blended with an energizing array of fatigue-fighting nutrients.* Green Coffee Bean extract provides natural caffeic and chlorogenic acids to support energy levels without the negative effects associated with caffeinated beverages. DMG, Taurine, Inositol and White Panax Ginseng further enhance this fast-acting formula. **Energy Support*** is a smart and delicious way to start your morning. Available in a 30 serving container.
- **Energy Support*** contains nutrients and phytonutrients that support:
 - Physical performance*
 - Glucose metabolism*
 - Fat metabolism*
 - Brain function & mental alertness*
 - Oxygen utilization*
 - Cardiovascular function*

Orange fruits and vegetables:

- Orange fruits and vegetables provide sustainable energy due to the powerful combination of natural sugars and carbohydrates, protein and fiber.
- A proprietary fruit blend of oranges, peaches, nectarines, tangerines, cantaloupe, pineapple, clementines, papaya, apricot, mango, kumquat and persimmons are provided in each serving.
- A proprietary vegetable blend of yams, pumpkin, carrots, butternut squash and rutabaga are provided in each serving.

Nutrients of Interest:

- **Green Coffee Bean Extract:**
 - Provides powerful antioxidant activity.*
 - Helps regulate the body's metabolism.*
 - Maintains stamina by supporting the production of cortisone and adrenalin.*
 - Helps the body burn a higher proportion of lipids to carbohydrates, which can help reduce muscle fatigue.*
 - Contains chlorogenic and caffeic acids- 2 powerful polyphenols.
 - Caffeic acid provides a safe energy boost while being naturally low in caffeine.*
 - Chlorogenic acid helps to slow the release of glucose into the bloodstream after a meal.*
- **Korean White Panax Ginseng:**
 - Is an adaptogenic herb
 - Helps the adrenal glands better manage the production, storage, secretion and elimination of stress hormones, allowing the body to conserve the nutrients that would otherwise be used to create energy.*
 - Improves how the body burns sugar.*
- **Taurine and Inositol:**
 - Taurine is an amino acid that your body naturally produces. It's an antioxidant that helps regulate heartbeat and muscle and energy levels.*
 - Inositol is part of the B vitamin complex and is closely related to choline and biotin.
 - Inositol helps the body use fat as fuel and helps muscles contract more efficiently.*
- **N,N, Dimethylglycine:**
 - A multi-patented supplement to support circulation, cardiovascular function, muscle recovery and endurance.*
 - An adaptogen and metabolic enhancer that supports physical and mental performance, oxygen utilization, circulation, glucose and fat metabolism as well as mental alertness and brain function.*

- **Fibersol-2™:**
 - A source of soluble fiber that significantly supports glucose and lipid control.*
 - Balanced glucose metabolism, supports balanced energy production in the body.*
